Length: 42 m	Guests: 12	Crew: 10
Built/Refit: 2003/2020	Cabins: 5	

This extraordinary 42m, MCA certified megayacht was built at West Coast Custom Yachts. Dedicated to the pursuit of outdoor pleasure, the interior has been planned to maximize outdoor space, give easy access to all five decks and provide 360° views in the saloon and dining area that occupies the entire main deck. This leads out to a shaded deck area, ideal for al fresco dining. Three outdoor areas are each served by a bar. Four state rooms and a full-width owner's suite accommodate twelve guests.
