Moss Sailing Yacht, built by Vosmarine in Antalya in 2016, is a spectacular, strong, and elegant performance sailing yacht. Featuring large flexible solar panels on the saloon and spacious deck space, Moss Sailing Yacht not only boasts a trendy look but also benefits from extra power. This luxurious yacht is ready to accommodate up to 10 guests, making it perfect for families or groups of friends. With its unique interior design and colors, Moss stands out among 40-meter sailing yachts. Chartering for the first time this year, Moss Sailing Yacht has already become the center of attention for its modern design and exceptional performance.
