LUXURY AND COMFORT Our Princess V58 is called “Make My Day” for a reason - this powerful cruiser makes for extremely smooth sailing! Like a ‘convertible on the waves’, the sunshade roof can be retracted or extended and has its own A/C flow to keep things fresh. Front and back sunbeds, interior and exterior sitting areas plus a Void sound system make this spacious boat perfect for socialising or chilling. Inside, an opulent master cabin, a double and a twin with bunks, two bathrooms and a fully equipped kitchen complete the offering.
