Length: 40 m	Guests: 16	Crew: 6
Built/Refit: 1994/2028	Cabins: 8	

Large motor sailing yacht Suheylyla Sultan's sleek lines were inspired by the beauty and elegance of an Ottoman queen. She was built in 1994 by Karadeniz boatyard in Tuzla Istanbul and completely refitted throughout 2002/2008. Her classic lines disguise a thoroughbred modern yacht. She benefits from her brand new, up-to-date sailing gears and navigational systems.
