|-----------------------|-------------------|----------------|
| Length: 14.5 m | Guests: 11 | Crew: 1 |
| Built/Refit: | Cabins: 1 | |

SPORTY AND SPEEDY This eye-catching tender is a versatile day boat that packs a lot of punch in its compact minimalist and modern design. With an inviting cabin, stylish outdoor dining area and sun pad as well as the ability to reach up to 32 knots, what was designed as a support vessel frequently steals the show wherever she pulls up.
